

Champagne for Life

London – July 2011

“Champagne for Life, the glamorous extension to a delightful evening”

Champagne for Life is delighted to be hosting its first women-only event at one of London’s most prestigious nightspots – Kitts, Sloane Square - on Thursday the 28th of July 2011 from 7pm to 10pm. With the champagne sponsored by Veuve Clicquot, this event will be bringing together the city’s most successful and influential women for an evening of networking, champagne and canapés.

Champagne for Life acts as an exclusive pass which invites women into a world of alluring ease.

Partnering with the finest venues and establishments, our sophisticated card-holders need only to flash a Champagne for Life card and a complimentary glass of champagne is smoothly proffered.

It is our mission at Champagne for Life to quench the thirst of the world’s most prominent women one glass of champagne at a time. Our card would surely gain the admiration of the matriarch of another illustrious house, Lily Bollinger, who famously said the following in relation to her drinking of champagne:

"I drink it when I'm happy and when I'm sad. Sometimes I drink it when I'm alone. When I have company I consider it obligatory. I trifle with it if I'm not hungry and I drink it when I am. Otherwise I never touch it, unless I'm thirsty."
