

Champagne for Life - for every woman

London –September 2011

“Champagne for Life, the glamorous extension to a delightful evening”

Champagne for Life is delighted to be hosting its second women only event at one of London’s most prestigious night clubs - the Valmont Club on Thursday the 29th of September 2011 from 7pm to 9.30pm. Welcoming and bringing together the city’s most successful and influential women for an enjoyable evening of champagne and canapés.

“The Valmont club is delighted to be hosting this evenings Champagne for Life event. We feel the ambience and exclusivity of our club is very well suited to the glamorous lifestyle of a 'Champagne for life' lady. We look forward to welcoming them tonight and in the future.” Carlos Santos, Event Manager

Champagne for Life offers an exclusive pass into a world of glamorous ease. Partnering with the finest and most luxurious establishments in town, sophisticated ladies need only to flash a ‘Champagne for Life’ card and a complimentary glass of champagne is smoothly proffered.

It is our mission at Champagne for Life to quench the thirst of the world’s most prominent women one glass of champagne at a time. Our card would surely gain the admiration of the matriarch of another illustrious house, Lily Bollinger, who famously said the following in relation to her drinking of champagne:

*"I drink it when I'm happy and when I'm sad.
Sometimes I drink it when I'm alone.
When I have company I consider it obligatory.
I trifle with it if I'm not hungry and I drink it when I am.
Otherwise I never touch it, unless I'm thirsty." Lily Bollinger*
