Where Learning's a Ball

Eat and be Charitable

Charitable Bookings is a revolutionary restaurant booking app that gives back to charity at absolutely no cost to individuals. When making a booking through Charitablebookings.com £1 for EVERY diner in the party will be donated by the restaurant to a charity of the booker's choice. Customers can choose one charitable cause close to their heart every time they make a booking from a list of over 7,500 UK registered charities.

Bookings can be made by calling the restaurant directly or online via their webpage. With the ability to see the restaurant's sustainability credentials, guide price, type of cuisine, address with map, ratings, photographs, awards and a description of the restaurant, this is an essential guide to dining out.

Eye Level North Harrow Learning Centre is a leading provider in supplementary education for Maths and English

We strive to coach children ages 3-16 years in basic learning skills.

We are currently offering a **2 week FREE taster session** for your child to enjoy the programme

- Our programme blends both offline and online elements to support each child's individual learning, which we call Blended Learning.
- The maths programme not only offers Basic Thinking Maths (Pure Maths) but also a Critical Thinking module to enhance their problem solving and analytical thinking ability.
- Our English programme consists of basic language arts and reading with vocabulary. It also helps to foster students' interest in reading, writing effectively, and approaches it in a fun, creative way.
