Its simple, you book, they donate.

Customers can choose one charitable cause close to their heart every time they make a booking from a list of over 7,500 UK registered charities, from local projects to global endeavours, supporting a wide range of causes including education, the elderly, health, the environment, veterans, the homeless, animal welfare, the arts, children's wellbeing and many more..

Whether for business or for pleasure, CHARITABLE BOOKINGS is THE philanthropic bookings app that gives back to those most in need, for free. Bookings can be simply made through the user-friendly website, across all available devices and the iOS native app.

Download the CHARITABLE BOOKINGS app and receive 100 Signature Dish recipes by the best loved chefs from the UK's leading restaurant, clubs and hotels.

A feature that makes CHARITABLE BOOKINGS stand out as a booking platform is that, in addition to booking online either a restaurant or hotel and through its multi-functioning app, it allows customers to call directly when making reservations as opposed to other platforms only offering online bookings. With the ability to see the restaurant's and hotel's sustainability credentials, guide price, type of restaurant, address with map, ratings, photographs, awards and a description of the restaurant or hotel, this is an essential guide. CHARITABLE BOOKINGS holds the directory of all your favourite restaurants and hotel: from your local Italian round the corner and the regular business/corporate lunch location, to your favourite weekend gastro pub or romantic hotel get-a-way.

Look out for the 30 Bookings Challenge: all you have to do is download the app and then book restaurants and hotels as normal. It costs you nothing and you've got 2 years to complete the challenge from the day you sign up. Make and honour only 10 bookings and receive a stunning magnum of rosé worth £40.

In addition, receive the highly acclaimed CHARITABLE BOOKINGS SIGNATURE DISH RECIPE BOOK for free when you complete your 30th Booking through the app. This wonderful recipe book of 365 signature dishes from leading UK chefs is the perfect gift!

If all this wasn't enough temptation there is even a chance to WIN 5 nights for 2 at the Anantara Kihavah Maldives Villas, worth £7,500 just by downloading the app today.
