

## An easy way for foodies to raise funds for UK charities- ChariTable

It must be hard to keep coming up with new and original ideas for fundraising for charity but I think this one is a great original idea which hopefully raise loads for good causes.

ChariTable Bookings is a philanthropic restaurant booking platform that raises funds for UK registered charities at absolutely no cost! When making a booking through [charitablebookings.org](http://charitablebookings.org) £1 for EVERY diner will be donated to charity.

The ChariTable Bookings Signature Dish recipe book helps raise even more funds and awareness for a huge range of charities - you can [check out the list here](#).

The book retails at **£40.00** including a **£5** donation to a charity of the recipient's choice.
